# We've joined.

Dazel and Hewlett-Packard are joining together to expand the possibilities of Information Delivery. Now we can provide you with everything from the latest integrated solutions for delivering and sharing information, to output management and high-value printing and imaging services. Translation: So now information distribution and access are joined at the hip. To learn more about this exciting union and to get a free Hurwitz white paper, "Fueling the Information Supply Chain," visit [www.hp-dazel.com](http://www.hp-dazel.com) today.
